The 3 hour one-off practical session is a mandatory requirement, and this cannot be repeated.</p> <p>This suggestion spans 16–18 lessons as students may not have exactly 1 hour per lesson, and this also allows for absence or disruption. Students who complete the practical session during the first opportunity may have completed their evaluation before Term 4 – this is acceptable. Teachers will all need to manage this as required in their centres.</p>		<p>Research, Planning, Preparation and Carrying Out NEA 2</p>	<p>This topic is linked to Yr 10 SOW</p>
