

Pupil Bulletin 4th - 8th July (Week B)

Prayer Theme: 'Teamwork' - Week 14 in Ordinary Time

Prayer Lord God, thank you for all you have created. So much of what we rely on needs to work together as one. There are so many hidden partnerships in our day, from the way our bodies work, and the interactions we make between family, teachers, friends and strangers that help to make the world go round. Bless us with the skills we need to live, and to work together as a team to make our world a better place for ourselves and all your people. We ask in Jesus' name, Amen.

SVP Fun Raiser Event - 15th July 2022
Letters have been sent home via 'School Post' explaining the SVP Fun Raiser and how to get your tickets. We would love it if everyone could take part in some way, so buy as many tickets as you can and the profits from the event will support the SVP chosen charities. Members of the SVP will be delivering your advance tickets to form rooms during morning registration and in the SLC during break and lunchtimes.

Numeracy Challenge 37

This week many of you will be visiting the Pleasure Beach and ride on the Big One. During peak times there are 3 trains, each with 5 cars, which each sit 6 people. If at peak times 1800 people can ride the Big One in one hour, how many times does one of the trains have to go round the track?

Numeracy Challenge 35 was successfully answered by Reuben Bland from 7 Finch. By looking at the shapes in the diagram, the only 3 digit number that can be made by adding single digits to a double digit number is 111. After realising this, it is a matter of trial and error to find that the triangles must be 9, and the squares 6.

To enter the Weekly Numeracy Challenge complete the weekly test that is set on FireFly.

Mr. Marsden

It's been a wonderful end to the week for me, as I have just had the great pleasure of appointing our new head pupils. Huge congratulations to our Head Girl, Maya, our Head Boy, James, our Deputy Head Girl, Isabel and our Deputy Head Boy, Charlie. Well done to all our new Senior Prefects, who I know together will make a fantastic team and be superb role models and ambassadors for you all. It's been a very busy week in school for various reasons. Thank you to Mrs Smith and the History department for organising the visits to Liverpool, I hope Year 8 pupils enjoyed the experience. Thank you also to Miss Newsham and all the staff and pupils involved in today's RE Day for Year 4 pupils in our feeder primaries – it is great to be able to welcome our future 'Bedes' to our school.

Have a great weekend.

Mr Marsden
