

Pupil Bulletin 6th - 10th June (Week B)

Prayer Theme: 'Be Green/ Conservation' - Octave of Pentecost

Prayer Dear Lord, you have provided enough air, water, land and food for everyone, help us turn from the selfish waste of resources meant for all, see the impacts our poor choices have on the most vulnerable people and take action to make the world a fairer place. Amen.

Please note the extra meeting on Friday lunchtime.

Great Sunflower Race
By now your plants should be showing swift and regular growth, so don't forget to upload your photos to gsr@stbedeslytham.lancs.sch.uk so I can add them to the gallery. Photos should include a visible measure such as a ruler or tape measure at the side of your plant so we can all see how tall it has grown.

Numeracy Challenge 33

How many triangles can you spot in the shape below? Remember they can be all different shapes and sizes.

292 pupils entered Numeracy Challenge 31, but not a great proportion manage to work out the correct answer. If you found the highest common factor of the angles you would get 4, dividing the angles by 4, then adding them together, gave an answer of 90. Well done to Pedro Gomez-Guerrero, from the Music Form, who correctly found this out.

To enter the Weekly Numeracy Challenge complete the weekly test that is set on FireFly.

Mr. Marsden

Welcome back after what I hope has been a refreshing and enjoyable half-term break. We wish our Year 11 pupils every success with their remaining GCSE exams and thank them for their calm, mature approach which has been appreciated by staff. This will be another busy half-term with many exciting opportunities to develop new skills, and enjoy new experiences. Making a positive contribution to school life massively adds to your enjoyment of your time at Saint Bede's . I look forward to sharing in your success over the weeks ahead.

Mr Marsden
