

Pupil Bulletin 13th - 17th June (Week A)

Prayer Theme: 'A Heart of Gold' - Week 11 in Ordinary Time

Prayer Lord Jesus, you are always ready to lift us when we fall. May your example teach us to be understanding to others, to help rather than to judge, to support rather than to condemn. Amen.

SVP 'Fun Raiser' Event - 15th July
You will see posters appearing around school advertising the end of year SVP fundraising event to raise money for CAFOD and for the Salvation Army Bridge Project in Blackpool. There will be letters sent home explaining the event, and there will be all sorts of prizes you can win leading up to the event. We would love it if everyone could take part in some way and find as much spare cash as you can for these worthy causes. Watch this space for more information.

Non-

Numeracy Challenge 34

What is the sum of the integers that satisfy the inequality below?

$$-4 < 2(x + 3) \leq 8$$

Numeracy Challenge 32 proved to be quite difficult for the 296 pupils who had a go. As 9 exams were equivalent to 3/8 of the total, it meant that 1/8 would be 3. To work out the total you should have multiplied 3 by 8 to get 24. Congratulations to Charlotte Eastwood, from 9 Bamber, who correctly found this out.

To enter the Weekly Numeracy Challenge complete the weekly test that is set on FireFly.

General Notices

Consideration to exam candidates: Please continue to be considerate to our Year 11 exam candidates by being as quiet as possible near exam venues i.e. the corridor/stairwell near room 5, outside the pastoral base and near room 6. Please also keep away from the doors at each end of the Sports Hall during break and lunch.

Year 7 Science Club: Year 7 Science Club will commence in Lab 2 on Wednesday lunchtimes. All are welcome to join. CREST Award challenges will be completed each week and a certificate awarded at the end of term. Please see your science teacher for further information.

Mr. Marsden

Well done Year 11 – week 3 of exams is now complete! We will see you all again on Monday morning for the Maths paper – don't forget those calculators! Over the next few weeks, you will see lots of visitors from our local primary schools as we hold our transition days for the Year 6s who will be joining us in September, as well as days in Science and Technology for Year 5 pupils to give them their first taste of life 'Being a Bede'. Thank you to the pupils who are acting as 'buddies' on each day and please can we all set a great example and make these pupils feel welcome. In particular, make sure our standards relating to uniform are as high as they can be – the rules about trainers, jewellery and so on are the same as they have been all year.

Have a great weekend.

Mr Marsden
