Numeracy Challenge 32

Year 11 have started their GCSE exams. During this week some of them will have completed 9 exams already, which is $\frac{3}{8}$ of the total amount of exams. How many exams will there be in total?

Even after the glitch affecting last week's Numeracy Challenge there were still 242 entrants. There was a high proportion of correct answers too, with lots of you finding that the difference between the two numbers was 12. Mr Binns was thinking of 24, and Mr Roe thinking of 36. Well done to Theresa Boylan, from the Music Form, who was the randomly selected winner!

To enter the Weekly Numeracy Challenge complete the weekly test that is set on FireFly.

General Notices

Half-term break: School closes for half-term at 3.15 pm on Friday, 27th May and reopens at 8.55 am on Monday, 6th June.

Rise Against Hunger - over 50,000 meals packed!

On Saturday, 14th May, a number of our pupils and staff joined with Lytham Rotary Club in an ambitious project to pack a target of 50,000 meals for schools in Ouagadougou in Burkina Faso for Rise Against Hunger, a charity founded in 2015 to respond to the United Nation's goals to end poverty, protect the planet and ensure prosperity for all by 2030. By the end of the day, the target was smashed with a total of 50,112 meals packed and ready to be delivered.

Members of the Rotary Club were deeply impressed by the positive approach of our pupils and their commitment to 'making a difference' as global citizens. Thank you to all who took part.

Road safety: Please exercise maximum care when crossing roads. Remember to STOP, LOOK and LISTEN and only cross when it is safe to do so.

Arrangements for Year 11 pupils after half-term – information for pupils:

Pupils with an exam only in the morning:

You should report to their form tutor who will register you and escort you and others to the Sports Hall. When you have completed your exam, you are free to go home. Year 11 teaching staff will be available in their timetabled classrooms to support any pupils who want to revise or require guidance.

Pupils with an exam only in the afternoon:

You should come into school in good time for the start of your exam. Registration will be via the exam seating record.

Pupils with morning and afternoon exams:

When you need to remain in school between morning and afternoon exams, you are to report to the classrooms you would be normally timetabled for. Your timetabled class teachers will be available to supervise you during revision. You must stay on the school premises throughout the day. If your teachers have asked you to attend revision sessions during the school day when you don't have exams, you will need to sign in and out at the school reception.

Mr. Marsden

Well done to Year 11 – you have survived the first week of exams! Your conduct in the exam hall has been fantastic and I have also been impressed by your effort and concentration during the revision sessions. I know that two hours of revision before or after a long exam the same day is challenging but it will be worth it in the end! Make sure you find some time to switch off over the weekend before we go again with Geography on Monday. For Year 10, today also saw the launch of the recruitment process for our new Head pupils and Senior Prefects. These roles are of great importance to me and the school, and provide a huge opportunity for pupils to develop through the responsibilities and challenges they involve. I look forward to reading your applications and getting to know you better during the process. Finally, next week we celebrate an important day in the school year as 25th May is the feast day of our patron, Saint Bede. It would be lovely to see you in the Chapel on Wednesday.

Have a great weekend.

Mr Marsden
