

Pupil Bulletin 27th June - 1st July

Prayer Theme: 'Proudest Achievements' - Week 13 in Ordinary Time

Prayer Lord Jesus, you teach us that love is what truly matters, and you call us to love you first. May we continue to make right choices in our thoughts, words and actions so that making our world a better place will be one of our proudest achievements. Amen.

Chaplaincy

Monday	St. Cyril of Alexandria Practice for readers for Holy Day Mass (Chapel 11.10am)

Friday	St Oliver Plunkett SVP Fundraising meeting (SLC 12.30 - 1.00pm)

Chaplaincy Notices

Morning Prayers

10 Finch - Tuesday, 7 Harcourt - Thursday

Mass for the Feast of Saints Peter and Paul - Holy Day of Obligation

The Feast of Sts. Peter & Paul is a Holyday of Obligation which means that all Catholics must attend Mass on this day. Mass will be celebrated in the Chapel from 12.30pm - 1.00pm. Queue jump passes for the Qube and dining room will be left with Form Tutors for representatives from each form.

SVP Fun Raiser Event - 15th July 2022

Letters have been sent home via 'School Post' explaining the SVP Fun Raiser and how to get your tickets. There will be all sorts of activities you can take part in in school before the event, but we would love it if everyone could take part in some way, so buy as many tickets as you can and the profits from the event will support the SVP chosen charities. It would be wonderful if everyone could take part in some way. Members of the SVP will be collecting donations during form time and breaks.

Trans-

Prefix

Words that begin with 'Trans' mean 'across'.

trans_(across)

Transport
Transnational
Transatlantic
Transact
Transform

Can you use these words in a sentence?

National = country/nation.

Atlantic = an ocean that connects the Arctic and Southern oceans.

Form = a state of being/shape/existence

Numeracy Challenge

Numeracy Challenge 36

There are 100 sheep in a field. It takes them 28 days to eat all of the grass. How long would it take 35 sheep to eat the same amount of grass?

Numeracy Challenge 34 was successfully answered by Isaac Whall from 7 Harcourt. To find the answer you needed to solve the inequality by applying mathematical inverses. Dividing all parts by 2 and then subtracting 3 gives the inequality $-5 < x \leq 1$, so the integers are -4, -3, -2, -1, 0 and 1. The sum of them would therefore be -9.

To enter the Weekly Numeracy Challenge complete the weekly test that is set on FireFly.

Clubs and practices finish between 4.15 and 4.30pm.

General Notices

Exams: Thank you for showing consideration to Year 11 pupils during their GCSE exams.

Water: You are reminded that your water bottles should only be replenished during break and lunchtime. Please do not ask staff for permission to leave lessons for this purpose.

E-safety on bus services: Just a reminder that our school rules regarding taking unauthorised photographs or videos of other pupils apply on school and local public buses. Sanctions may be applied when these rules are broken.

Mr. Marsden

This week, I have to start by saying thank you and well done to all of you for adjusting so well to the routines we have put in place while the toilet refurbishment is underway. You've coped admirably not just with the disruption but also the noise – at the same time as having to put up with very warm temperatures. Anybody who has had Maths upstairs this week will know exactly what I am talking about! Last night we said congratulations and farewell to our Year 11 pupils at the 'Prom', which was a fantastic event and a fitting climax to the school experience of the 'Class of 2022'. Thank you to all the staff who supported the event, especially Miss Rodgers and Mr Langley for their organisation. As Year 11 move on, I've had the great privilege this afternoon of appointing our new team of Senior Prefects for the 2022/23 academic year from Year 10, as well as announcing which of those pupils is being interviewed for the positions of Head/Deputy Head Boy/Girl next week. We have a really strong team who I know are going to be role models and ambassadors to all of you. For those Year 10 pupils who were unsuccessful in their applications, you will still have an important role to play as Prefects and we will also be appointing more Prefects before the end of term. Finally, during morning registration next week your form tutors will be checking to ensure you have the correct basic equipment every day. Please take responsibility for organising yourselves so you are 'ready to learn', and give yourselves a chance of winning the McDonald's lunches that are on offer as a rewards!

Have a great weekend.

Mr Marsden
