

Prayer Theme: 'Mindfulness' - Third Week of Lent

Prayer Lord Jesus, in the Lenten week that lies ahead there will be times when I will be challenged. Be with me at those times. Keep me calm and controlled. Remind me that you are with me in all that happens, and help me learn the hard lessons as well as the easy ones, Amen.

To find the percentage of the year that is spring you need to find the amount of days in March, April and May (92) divide by the amount of days in a year (365) and multiply by 100. Jason Sandford Jones, from 8 Haydock correctly did this to find that Spring is 25.2% of this year.

Careers

Sunday 27th March is World Theatre Day

Mr. Marsden

I want to give a particular mention this week to Year 11 pupils, who are working exceptionally hard getting ready for GCSE exams in just a few weeks' time. I'm really impressed by the calm and purposeful atmosphere in Year 11 lessons, and with your high-level of participation in the revision sessions being offered at lunchtime and after-school. You are setting a great example to younger pupils for the years ahead! You also have an important couple of weeks ahead with assessments taking place in class in most subjects. Please take full advantage of this opportunity to prepare for the exams that are ahead of you in the summer.

Well done also this week to our Year 8 pupils who took to the stage in the Shakespeare Festival at The Grand Theatre in Blackpool. I know this will be a nerve-wracking experience for you, but you represented the school brilliantly and Miss Murphy was hugely proud. It was also pleasing this week to see so many Year 9 pupils attending our Options Information Evening with your parents/carers on Wednesday. Please now have those important conversations at home and in school as you think about the choices you have to make.

Have a great weekend.

Mr Marsden
