## General Notices

### Public buses & punctuality

The possibility of buses running late is quite common as a result of road works and driver shortages. Therefore, it is important to get to your stop earlier than you would do normally to ensure that you arrive at school on time.

Mr Marsden

It was fantastic on Wednesday evening to see so many of you in the Sports Hall for our 'Post-16 Choices Evening'. I was really proud of how well you interacted with the representatives from the various colleges, training providers and employers. I hope you found the event useful in getting some ideas about what lies ahead for you after Saint Bede's. More immediately, Year 11 have the challenge of Mock Exams starting on Monday – first with the practical subjects and then the written exams starting the following week. I know you have worked really hard on your revision and this can be a stressful time for you. All that effort will be worth it as Mocks are such an important opportunity to prepare for the 'real thing' next summer.

Good luck everyone!

Have a great weekend.

Mr Marsden
