PRAYER

Lord God, giver of life and source of freedom, we know that all we have received is from your hand. Gracious and loving God, You call us to be stewards of Your abundance, the caretakers of all you have entrusted to us. Help us to always use Your gifts wisely and teach us to share them generously with all our brothers and sisters. Grant this prayer through Christ, Our Lord, Amen.

Mr Marsden

Welcome back everyone, I hope you have all enjoyed settling back into school after the Christmas break. It has been great to see you all. It has been an exciting, nervous and sometimes emotional day for Year 11 pupils who received their Mock Exam results in the hall. Well done to the many of you who achieved excellent results and in some cases really exceeded your expectations. You now know what success looks like and what you need to do in the summer! For those of you who know you need to improve – remember that (as I said in Assembly) the most important thing with Mock Exams is how you react and how you learn from the experience. The hard work continues on Monday. Today is also the Feast of the Epiphany, an important day in the Catholic calendar, and it was lovely share Mass with some of you in the Chapel at lunchtime. One negative I have to mention - when I returned to the Dining Room after Mass the state some of you had left it in was completely unacceptable. It should not require me, or any member of staff, to be standing over you in order to ensure that the floor isn't left covered with chips, or tables aren't left full of plates. If the dining room is left in a similar state again then there will be no Fish and Chips on Friday until the situation improves, which would not be fair on the majority of pupils who always do the right thing. Please let's be proud of our school and take responsibility for keeping it tidy.

Have a lovely weekend.
