## General Notices

**National Careers Week (NCW)** is a one-week celebration of careers guidance and free resources in education across the UK. Do remember to look at the posters and displays in each subject area to remind yourselves about the different pathways that will open up as a result of continuing to study your subject.

### School buses:

1/. **Safety** remain seated at all times during the journey and wear a seatbelt when one is fitted.

2/. **Passes** - you can only use a bus pass with the route number (916/598/649) printed on it for the bus you are travelling on. For insurance purposes and to prevent overcrowding, you cannot change from one bus to another.

3/. **Litter** - dropping litter on any school or public bus is unacceptable. The driver's job should just be concerned with driving you to and from school, not cleaning up after you. No food or chewing gum should be consumed on buses.

Mr Marsden

Narnia... what can I say? Just wow! It was great to have the opportunity today to say thank you and well done to all the pupils involved in what was an amazing show – cast and crew. You have all made me so proud. I can't wait to see what you do next! Thank you also to all the pupils who came along to support your fellow 'Bedes' from the audience, this was great to see and I think really showed that we are a family in our school (even though like all families we won't always get on with each other or agree!). Next week 60 of our Year 10 pupils will be going to Castlerigg for our annual residential. Have a fantastic time, I hope it will be a really positive week thinking more about faith and I look forward to joining you on Thursday. Finally a mention to our Under 13 Girls Cricket Team, who are through to the Lancashire finals after winning the qualifying tournament yesterday. Good luck in the final girls.

Have a great weekend.

Mr Marsden
