

### Welcome to our Year 11 Newsletter.

Mr Marsden spoke to you this morning to outline the plans for the exam period. More detail will be available in his Headteacher's Update. A specific schedule has been designed to make sure that you have access to subject revision sessions ahead of your exams. We know that this is the best way to support you and help you succeed.

I have attached the schedule on the next slide for you to see.

There will be some occasions where you are not in exams, or subject revision sessions, but in normal lessons.

Please make sure that you have revision materials and equipment for the specific lesson and revision for other subjects.

We know you are going to be amazing, just make the best use of the time you have and the sessions your teachers will provide.

**Good luck!!**

### Free toast!

We will be providing free toast to all our Year 11 pupils every morning from 8.15am in the dining hall. We hope to support them in doing some independent revision in their final few weeks.

The BEC will also be available as a silent study area from 8.00am.

### Year 11 Attendance:

Year 11-93%

Whole school-90%

We know that pupils with excellent attendance achieve higher grades. You need to be here to benefit from the expertise that subject specialist teachers can provide.
