

Form Tutors will maintain the important link between school and home.

Normally, tutors will contact pupils once per day through **Firefly**. Each form group will have a blog to aid communication within the group. This will allow pupils to post their entries and communicate with their form group.

Please contact us if pupils or family members contract coronavirus or if you have any urgent concerns.

School Contacts

Form Tutor: pking@stbedeslytham.lancs.sch.uk

Year 7 Leader: ccochrane@stbedeslytham.lancs.sch.uk

Senior Staff, Behaviour Manager (Ms Ashton), **Lay Chaplain** (Paula Burdess), and **Learning Mentor** (Adey Boothroyd) will be available for advice and support. Mrs Abberley and members of the **learning support team** will continue to work with individual pupils.

We have also put in place an **urgent helpline number** if parents need to speak with school staff during school hours.

Subject teachers will set work through **Firefly**.

This work may include **revision for your exams after Easter, extended project-type tasks** and the use of **various online resources**. You have been shown how to **login to GCSEPod**. This will allow you to access very helpful online resources.

Pupils should **plan out each day** based on the tasks set and using the **Learning Planner on Firefly**.

If you are well, having a focus for each day will help.

School Contacts

Key Stage Leader: ccochrane@stbedeslytham.lancs.sch.uk

Firefly will be used as the main link between school and home. Miss Dickinson will respond to any **technical IT issues**.

We will provide **relevant updates** as we receive them. The Department for Education also have a **dedicated helpline**.

There is helpful advice for pupils and parents on staying safe online via our school website and Firefly. Furthermore the link below to the digital healthy schools website provides a useful resource for many aspects of health and well-being.
