Dear Parents/Carers,

I hope that you and your families are keeping well.

I want to thank you for the responses we have received to the recent questionnaire on the provision we have been making for online learning. At the time of writing, it is likely that pupils in Years 7-9 will be learning online for at least the coming half-term. The questionnaires, together with other observations and feedback will prove helpful for us in improving that provision and ensuring that it is as effective as it can possibly be for your children.

I will, of course, be providing you with further information after the half-term break and in the weeks ahead.

Thank you, as always, for your invaluable support. I hope you stay safe and well.

Best wishes,

P Grice
Headteacher
