Dear Parents of Year 7

Welcome to Saint Bede's

We are very much looking forward to welcoming our pupils back into full-time, face-to-face education and particularly, our new Year 7 who will be joining us for the first time.

There is much that is different for all of us but, of course, for our Year 7, everything is new. In the first days and weeks, staff will carefully guide pupils through all that they need to know. I realise that many will be feeling apprehensive about next week, but I assure you that we will all do everything possible to make the experience as enjoyable as possible both now and over the weeks ahead.

I have attached a summary poster and more detailed information about how pupils can stay safe at Saint Bede's. In addition, pupils have produced a Year 7 video that I trust will help provide a brief overview of the new routines.

Although the changes we are all facing will seem daunting at first, this school year will also provide all of us with many opportunities to celebrate success together with the excitement of new challenges. Please do not hesitate to contact us if you have any questions regarding the information you have received and we welcome any suggestions on improvements that can be made.

Yours sincerely,

Mr P Grice
