

Be a Bede

Bede safe in school

COMING TO SCHOOL

COME PREPARED

Please wear full school uniform and bring all the equipment you need. You shouldn't share equipment or food with friends. Teachers will not be able to lend you equipment.

TRAVEL SAFELY

Try to walk, cycle or get a lift to school. If using buses, please keep a safe distance from others and remember you must wear a mask or face covering.

ARRIVE AT THE RIGHT TIME FOR YOUR YEAR GROUP

It is important that we stagger the arrival and departure times of year groups. Please keep to the times for your year group.

IF YOU HAVE ANY SYMPTOMS OF THE CORONAVIRUS

or members of your family do, then you must not come to school.

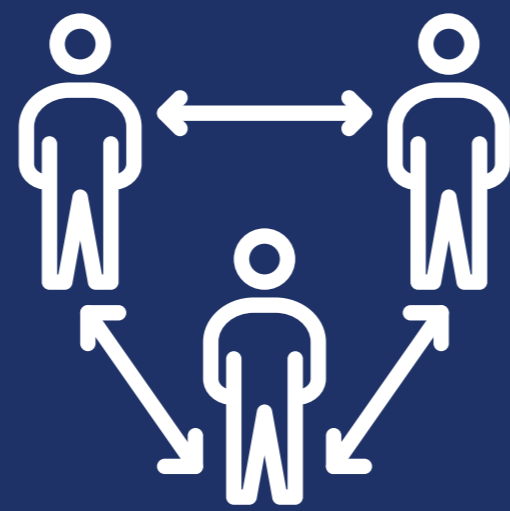

SOCIAL DISTANCING

KEEP IN YOUR YEAR GROUP 'BUBBLE'

Please keep to the designated outside areas and your classroom bases.

STAY WITH THOSE IN YOUR TEACHING GROUPS

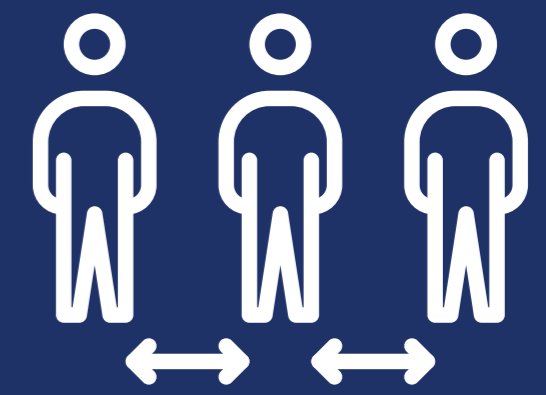

When indoors, try to mix mainly with people in your class groups.

KEEP YOUR DISTANCE MOVING AROUND SCHOOL

Please take account of the signs on stairs and hazard tape in classrooms. You should still keep your distance from others in the outside areas for each year group.

KEEP YOUR DISTANCE WHEN QUEUING

Please use the matting and signs on the stairs and near toilets, as a reminder to keep your distance. When on corridors and stairs, please keep to the right.

GOOD HYGIENE

SANITISE OR WASH HANDS THROUGHOUT THE DAY

Remember the 20sec rule – sing 'Happy Birthday To You' twice. Always clean your hands after using the toilet, before eating and after touching 'Frequent Touch Points'.

BE AWARE OF 'FREQUENT TOUCH POINTS'

Labels around school highlight points which will be touched by many people. Always wash your hands after touching these areas.

MASKS AND FACE COVERINGS

If you travel by bus you should wear a mask. If you intend to reuse the mask, then you must bring a small plastic bag to store it in. For now, masks will not be compulsory in school but you may choose to wear one outside of classrooms.

FOLLOW 'CATCH IT, BIN IT KILL IT' FOR SNEEZES AND COUGHS

Use tissues and bins in classrooms and around the school.
